DRAFT COUNCIL NOTE

Sub - Declaring the post held by the Municipal Engineer, Bellary as a Gazetted one with effect from 17-12-1953

The Municipal Commissioner, Bellary City Municipal Council, ~~Bellary~~ has requested sanction to the following resolution of the Municipal Council passed at its meeting ~~passed~~ held on 27-4-1956

~~"Resolution Nos 2(a) and 2(b)~~

Bellary is a City Municipality The Council bears in its establishment a Municipal Commissioner and a Municipal Health Officer, whose posts have been declared to be Gazetted posts Similarly, the City Municipal Council resolves to have a Municipal Engineer of a Gazetted rank so the post of the Municipal Engineer may be declared to be a Gazetted one

"The copies of Madras Government Order No 1460 L A dated 26-12-1951, and Madras Government Order No 989 dated 20-5-1952, go to show that the post of the Municipal Engineer under Madras set up was that of a Gazetted rank

"Sri Joshi, the Present Engineer of the Council is entitled to draw the minimum pay of an Asst Engineer in the grade of Rs 250-25-450, from the date of his promotion as an Asst Engineer But in view of the objection raised by Mysore Accountant General, the Engineer is permitted to draw an advance of Rs 200/- a month from out of the Municipal funds, till the Accountant General clarifies the position, after declaration of the post of the Municipal Engineer to be that of a Gazetted rank by the Mysore Government

The Council resolves to meet the enhanced emoluments towards his pay and allowances and pensionary contributions, after hearing from the Government "

Para 1 & 2 of the notes

2 The Chief Engineer of Mysore who was consulted in the matter has opined as follows -

" It is desirable to declare the post of the Municipal Engineer, Bellary City Municipality as a Gazetted one from the date Sri S G Joshi reported for duty as Municipal Engineer in Bellary Municipality, i e , from 17-12-1953 Sri S G Joshi was promoted as Asst Engineer with effect from 17-12-1955 and henceforth he was allowed to draw Rs 250/- p m Prior to 17-12-1955 he was allowed to draw Rs 225/- per month as Sub-Division Officer to which pay he was eligible if he had been in the Department He would be eligible for Rs 225/- p m only against a Gazetted post according to the A G It is therefore necessary to declare the post as a Gazetted one from 17-12-1953 alone "

Paras 2 5 and 26 of the notes

3 The Chief Secretary and the Public Works Secretary have both concurred in the above views of the Chief Engineer

4 It is proposed to accept the recommendation of the Municipal Council, Bellary, to treat the post of the Municipal Engineer Bellary as a Gazetted one from 17-12-1953, as suggested by the Chief Engineer

Para 30 of the notes

5 The Minister for Public Health and L S G has minuted thus -

"May be placed before the Council "

Hence this Council Note

The point for consideration is that the post held by the Municipal Engineer in Bellary City Municipality be declared as a Gazetted one with effect from 17-12-1953 the status being that of an Assistant Engineer
